

SCHOLARSHIP

Incight Scholars break through barriers by becoming change agents in our community and leading by example.

Since 2004, Incight has awarded more than 850 scholarships to students with disabilities pursuing higher education. Incight Scholars are supported throughout college and provided opportunities for trainings, internships and mentoring. Incight Scholars have achieved careers in technology, education, science, and medicine!

INCIGHT ON CAMPUS

Join us as we explore higher education at a nearby university or community college! At this event, you will learn how to access disability services, financial aid, enrollment, take an accessible campus tour, speak with current students, learn about the differences between high school and college and self-advocacy!

Contact keith@incight.org for information about our upcoming events!

INCIGHTFUL TRANSITIONS CURRICULUM

Incightful Transitions Curriculum is built on the foundation

of engagement, adaptability, IEP transition goals, state standards, authentic learning and ease-of-use. Lessons are accessible with individual teacher logins and are divided into four sections that prepare students with the essential skills for life after high school: Education, Employment, Independence and Spotlight Lessons.

Each lesson contains: complete lesson plans, informational graphics, online modules, interactive online activities, differentiated worksheet activities and assessments.

In-class trainings are also available! We will come to your class and present a 1-hour long training on one of the following topics:

- Identifying interests
- Identifying job Preferences
- Building a Resume
- Building a Cover Letter
- Interviewing tips and practice
- Self-Advocacy
- Identifying and accessing accommodations
- Disclosing Disability

Contact Jeremy@incight.org to request a training!
